

The Wanamaker Store.

Black Dress Goods

WE picked the strongest, truest light in this very light store to sell black goods under. There isn't anything to hide. One may safely judge a dress goods store by the way it sells blacks. It is a hard test.

Crepes are in deserved favor. We have a hundred and forty-two styles from France—finest is \$6 a yard; a hundred and two styles from England—finest is \$2.75, because the English do not use much silk,—and here are twenty-five Crepes of American make—fifteen styles at \$1 and ten styles at 75c. We are proud of the Yankee success, for the domestic goods are glossier and more attractive than the English at anywhere near the same prices. But we haven't made the very high grades yet.

The black dress goods have a section to themselves—Tenth street and Fourth avenue corner.

Silk Waists and Petticoats

There is a touch of Paris in the collection of Silk Waists and Petticoats on sale at counter nearest central Broadway entrance—and the crystal cases in the center aisle hold some of the daintiest French things we've brought over. So do two of the Broadway windows.

Imported Silk Waists, \$15 to \$65.

Imported Silk Petticoats, \$16 to \$65.

Imported Silk Dressing Sacques, \$12 to \$50.

By the way here are three fine lots of American made goods—

Silk Waists in various good colorings, and black as well. \$5—worth a third more, yet these are brand new.

Silk Petticoats—black and colors, corded umbrella ruffe and dust ruffle. \$5.

Silk Petticoats of quite \$12 value at \$9.50. Black and colors. Deep accordion plaited ruffle.

Fifth Floor Bargain Store

This special selling place has been opened for a purpose—and that purpose is two-fold—

We are demonstrating the Wanamaker understanding of the word "Bargain."

We are selling odd lots from our stocks and from importers' stocks at savings to you from ten to fifty per cent., and the business is being done comfortably and far removed from the sections devoted to regular goods.

All elevators run to the Bargain Store. To-day these things are on sale there—

Silks

Forty-nine thoroughly desirable kinds. There are: Fancy brocade wafters, with figures in various good colors; lace and organza, with fancy place wafters, with satin stripes in black; changeable wafters with new satin stripes broken with bare stripes of satin; silk and satin diggin stripes; Gros de Loden grounds with fancy columns of flowers and polka dots between. The lowest price on the lowest grade of these is regularly 75c yd. Choice at 50c.

Table Linen

We've been furnishing some steamships with linens—and are left with lots of remnants of Table Linen (1½ to 3 yards in each). Fine chance to save, if you find a usable length—for any of them are worth a third more in the regular way. At the rate of 40c to 75c a yard—but sold only by the piece.

Morris Chairs

There's more restfulness in a Morris chair than was ever bundled into equal space—they adjust themselves to your fancy and your back. Some at \$2.50 complete with good cushions; some at \$5, instead of \$8. We show some samples of regular lines in the same place—just to be handy for you.

Jardinières

They sold rapidly enough yesterday, and so they should, and will again to-day. Good shapes and decorations, and prices just as attractive. 50c kinds for 30c. 85c kinds for 55c.

Framed Pictures

750 facsimile water colors in round and square gilt frames, the former 6 in. in diameter, the latter 4½x6½ in. Regularly 40c to 50c. Choose at 25 cents each.
